

Computer Aided Drawings (CAD)

Our CAD drawing service is available to anyone who needs to submit drawings/plans for Local Authority Approval.

Below are is an example of the type of drawing we will provide. Drawings for all our buildings are free of charge unless it is a bespoke building size (not on our pricelist) then a small fee will be charges. Drawings requested after a building is ordered are usually supplied free of charge. Drawings requested prior to an order being placed may be chargeable.
